

COME TOUR
AND EXPLORE
WITH US!

In addition to our court and finance related duties, your Clay County Clerk of Court and Comptroller's Office also proudly manages our county's Historical Archives. That means we're the hub for info about Clay County history, artifacts, photos and tours of historic buildings! Through our Community Outreach programs, we offer fun, free, educational tours at the Old Jail, 1890 Courthouse, TAPS Military Monument, main Clay County Courthouse and even connect groups with awesome guest speakers. Clerk of Court Green's staff and our county and judicial partners enjoy meeting citizens of all ages and are ready to lead groups in discussions about Clay history, our justice system and government services. Join us!
