The Clay County Clerk of Court's Operation Green Light event has helped more than a thousand customers become eligible for reinstatement over the last several years. Again, this year many Clerks of Court are participating in coordinated events in March all across the state. This upcoming local event is an opportunity for Clay County residents with suspended driver licenses to pay overdue court obligations, including traffic tickets, while saving substantially on additional fees that would normally apply. We are pleased to bring this service to our citizens again in 2023.
